

Witham and Humber Drainage Boards

An exciting opportunity to join the team at Witham and Humber Drainage Boards. We are four public bodies managing land drainage, flood risk and water levels within both rural areas and the City of Lincoln, Grantham, Woodhall Spa and surrounding areas. Responsible for maintenance of adopted watercourses and for the operation of Pumping Stations.

We are recruiting **three Land Drainage Operatives:**

1. Upper Witham IDB (base North Hykeham): Operative will primarily be on the 9.5 tonnes midi-digger and flail.
2. Witham First DIDB (base Timberland): Operative will primarily be on a tractor / flail combination.
3. Witham Third DIDB (base Woodhall Spa): Operative will be peripatetic, working in teams in the three IDBs, but initially will be deployed on the JCB tracked excavator.

These roles require self-motivation and flexibility. A broad ranging skills set is required to undertake seasonal operations, assist with a diverse range of land drainage duties and be available to respond swiftly to call-out requests.

W.e.f. 01.04.19 annual salary of £23,328 or £11.78 per hour for 76 hour working fortnight, with alternate non-working Fridays. The Boards offer a contributory Local Government pension scheme, works vehicle, opportunities for overtime and excellent employee training.
